

Fully Alive Grade 4 Prayers

Life-giving God

Lord, you have given us our lives
and made us in your image.

We thank you.

Help us to remember always
that life is a gift
to enjoy, to respect, and to protect.

Help us to show
your love and goodness to others
by the way we live.

Amen.

A Prayer for Families

Lord, there are so many families in the world,
and you know each one of them.
Bless them and keep them in your care.

You are there with families when they are happy.
Help them to share their happiness with others.
Bless them and keep them in your care.

You are there with families when they are worried.
Help them to trust in you and trust in each other.
Bless them and keep them in your care.

You are there with families when they are troubled and sad.
Help them to open their hearts to you and find comfort.
Bless them and keep them in your care.

Amen.
